

Passion for the Day

The sexiest woman is the fulfilled woman. Find your passion and go after it with a vengeance.

Today, ask yourself, "What is my Passion?"

Passion for the Day

Today you are free of limitations. Repeat to yourself throughout the day

"I deserve to have it all...by choice, by chance, and by circumstance.

What do I want Today?"

Passion for the Day

Everyone has talent. It's how you embrace it that makes your talent shine.

Ask yourself, "What is my talent and how can I do something with it today?"

Passion for the Day

Look in the mirror and say wonderful things about yourself.

Start with the words "I am..."

Passion for the Day

Today is a day of cleansing and washing away all negatives. Say to yourself "I am free and cleansed of the past, today I am a new person open to all possibilities."

Passion for the Day

Love grows when it is fed, nurtured, and cultivated. Today I am more in love than I was yesterday, because I continue to cultivate it.

Passion for the Day

Today is the day that your love will grow. Think of the one thing you passionately love about your mate and use it to enhance your feelings of love. Say to yourself, "I love my sweetheart because..."

Passion for the Day

Happiness is a state of mind. Say: "I am the happiest person in the world." Quickly dismiss any negative thoughts. Focus on the joys in your life. Stop and smell the roses!

Passion for the Day

Successful people often recount that the pursuit of their success was truly the happiest time in their lives. Be joyful! Today you are in pursuit of success!

Passion for the Day

Being a sexual woman is one of life's great pleasures.

Today, give yourself the gift of great sex. Set the stage for a night of romance, love, and lust. Say to yourself "My passion is on fire and I'm in the mood for love."

Passion for the Day

Today I am clothing myself with attitude... I am a loving, beautiful, sexy, kind, incredible woman. There's no stopping me!

Passion for the Day

My bedroom is my lair for love. Today I will do something that enhances my bedroom as a love nest. It can be something simple like a new scented candle or new bed sheets. Tonight I will fulfill a fantasy.

Passion for the Day

Love is a wonderful thing and I am lucky to be in love. Today I will see my lover through eyes of appreciation.

Passion for the Day

I am an extremely sexual and desirable person. I'm comfortable sharing my body with the man I love.

Passion for the Day

Romance is everywhere. Today, I will be the most romantic person I can be for my partner.

Passion for the Day

Words have power. Today, I challenge myself to phrase everything in the positive. Instead of "I have to go to work" say, "I am happy to go to work."

Passion for the Day

Bless your life as being exactly what it is supposed to be. The challenges have made you who you are. Say to yourself, "I am blessed with life circumstances that have helped me grow."

Passion for the Day

Sex is a muscle that needs to be worked. Make love to yourself this morning, then make love to your man tonight. Affirmation: "I love to make love."

Passion for the Day

I am designing a new life for myself. It includes abundance in every area of my life: giving love and being lovable, sex, financial well-being, generosity, kindness, and passion. Say to yourself, "This is the infancy of the next part of my wonderful life."

Passion for the Day

Today let beauty motivate everything you do. Incorporate the most beautiful colors, fabrics, fragrances, sights, luscious food, and music to set the stage for your entire day. The choice is yours...choose Beauty.

Passion for the Day

Think of new ways to say, "I love you." Invent new terms of endearment for your lover. Throughout the day call him, write him, and tell him all of the things that make him so wonderful. Culminate the day by making love Team.

Passion for the Day

Today is the Beauty of health Day. Start with a walk and take in all the sights. Get a pedicure, manicure, and massage. Eat delicious healthy food. Make love in the afternoon.

Passion for the Day

Start a collection of something you love. Music boxes? Perfume? Books? Antique lace? It starts with just one thing. Let your collection reflect beauty in your life.

Passion for the Day

Laughter wakes up the senses. It's intoxicating. A good laugh brings a glow that makes a woman more appealing. Find something to laugh about today. Seek it and you will reap its rewards!

Passion for the Day

Lingerie is an aphrodisiac. It says to your partner "I'm desirable, sexy, and ready to fulfill your fantasies and mine." It doesn't have to be practical, just seductive. Surprise your man tonight. We guarantee a night of love.

Passion for the Day

Master the "KISS." We're talking passionate, juicy, "stimulate the sexual desire" kissing. It is often the first thing to go in a relationship. Re-awaken the kiss. Begin by sending him off to work with the kiss that tells him, "there's more to come!"

Passion for the Day

Words create our reality. Talk about sex often-and you will have sex often. Call him at the office and tell him how much you love him, and how he satisfies you sexually...Tell him just looking at him sends you to the moon!

Passion for the Day

The bathroom is the naked place. Get comfortable with your body from every angle. Tell your body you love it every day. If you put off your pleasure until you lose the ten of twenty pounds...how much pleasure will you miss out on? Learn to love your body as uniquely beautiful.

Passion for the Day

A daily dose of testosterone does wonders for self-esteem and depression. Gear your life, starting today, for making love every day, even if it's a "quickie!" You'll be surprised at how much it will improve your moods, your weight, your skin, Your Life!

Passion for the Day

Start creating the Soundtrack of your life and romance. Buy CD's that mean something to you and your lover. Include movie sound tracks, oldies, and update your romance with a few CD's from current music. Play the music over a candlelight dinner tonight!

Passion for the Day

Choose and schedule a day this week that you and your lover can stay in bed. Serve breakfast, watch sexy movies, and enjoy each other.

Passion for the Day

Enjoy the magic of the stars tonight. Sit outside with your man and enjoy sipping drinks under the night sky. Tell intimate secrets to each other and make wishes.

Passion for the Day

Invite your mate for a romantic dinner out...your treat. Buy him a gift and present it at dinner. Hold hands.

Passion for the Day

Love is in the air...breathe it in by buying fresh flowers and scented candles. Lure your partner into the bedroom by lighting the candles before he gets home. Spray his favorite scent on you.

Passion for the Day

Tonight, draw a bubble bath for yourself and your lover. Surround the bath with candles. Put a bucket of champagne and glasses beside it. Add music and...Enjoy!

Passion for the Day

Yes! You can be the "Sexiest Woman Alive!" Start telling yourself you will walk, talk, dress, and act the way a sexy woman feels, soon you will become her! Guaranteed!
